

Credit unions were founded on the cooperative principle of people joining together for the mutual benefit of their members—"people helping people". The **Topeka Credit Union Foundation (TCUF)** takes that principle beyond the individual credit unions by joining together to serve the greater community.

**TCUF** was established in 2004 by a group of local credit unions working together to raise funds to benefit local non-profit organizations. Through the contributions of individual credit unions, the generosity of their members and the fundraising efforts of credit union employees, over \$94,000 has been donated to organizations such as The Capper Foundation, Topeka Rescue Mission, Boys & Girls Clubs of Topeka, Breakthrough House, Family Service & Guidance Center, Meals on Wheels and various other charitable organizations in our community.

**New Century Credit Union** members have contributed generously and participated in numerous fundraisers we sponsored in the past to benefit **TCUF**.

In honor of our 60<sup>th</sup> anniversary this year, **NCCU** is asking for your continued support, as we are committing our 2011 fundraising efforts entirely to benefit the foundation. And again, at the annual benefactor's breakfast held in the fall, several local charities will be awarded funds to help them help others in our community. We can't think of a better way to demonstrate the "people helping people" philosophy credit unions, and **Your Financial Family**, hold so dear.
